

The Empire State Academy of Cosmetic Dentistry Presents:

Anterior Esthetic Techniques and Materials

Friday, May 29, 2015 8:30 am - 4:30 pm

Lee Ann Brady, DMD

7 CE Credits

At the Pearl River Hilton, Pearl River, NY, 40 minutes from Manhattan and 10 minutes from the Tappan Zee Bridge

Dr Brady was the first female resident faculty member and Clinical Director at the Pankey Institute. In 2008 she joined Frank Spear in the formation of Spear Education expanding his curriculum, and served as Executive VP of Clinical Education. In 2010 she was recognized by Dental Products Report as one of the "Top 25 Women Dentists in the U.S." She is the clinical editor of the Seattle Study Club Journal, a Guest Presenter at The Pankey Institute and teaches for the University of Florida College of Dentistry.

Achieve **predictable esthetic and functional success** in your anterior restorations! Plan margin placement and tooth reduction to accomplish the proposed position, contour and color of the new restoration as well as functional success. Learn the esthetic and functional guidelines for appropriate material selection.

COURSE OBJECTIVES:
